**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I started with AT&T and when DSL could not keep up with the higher demands from everything wifi. they sold me u-verse that was supposed to be adequate but it was not then was told the faster u-verse was not available in my area.

ATT rates are too high and they don't deliver what they promised and it'll get worst without competition, please do not allow these gigantic companies have their monopoly, give consumers choices, thank you!
